### **PACK LIST**

## **Camping Checklist - November Action Games Outing (NAGO)**

Please keep in mind this is an November outing. In Michigan that means the weather could be cold, rainy, snowy. So please come properly prepared for the November weather.

Also keep in mind NAGO is November Action Games Outing, which means you will be getting physical and hot, sweaty. This means plan proper for your gear needs and plan layers. Clothing-generally try to avoid cotton. Once wet, cotton dries slowly and loses much of its ability to keep one warm. Wool or synthetics such as polypropylene are much better. It also means that it is very important for the scouts to bring water bottles.

If you have questions see any Adult Leader for help.

NOTE: Please leave the electronic games at home.
